

Dear Lim Sekiong Bok-su

We are amazed at your generosity
to us again this Christmas.

THANK YOU!

GOD loves me,
loves you,
and I love you also!

We have Taiwan in our hearts and
looked over some old pictures of
Taiwanese friends there. We entrust them
to God for the Holy Spirit to work in
their hearts.

Now that we are back from
China, we are reaching international
students in university. Some are
Chinese. We are into the second
semester now.

Pray some will trust Christ.
Thank you again for the gift.
