Dear Rev. Lim Sekiong:

Thank you once again for your thoughtfulness in remembering me and for your generous gift of \$250.00. I enjoy hearing of the happenings and events of the TCCCNA throughout the year, though they sometimes be sad news.

I continue to pray for Taiwan and its people that the small steps they have gained in peace will continue to grow.

I pray that the New Year brings good health and peace to you and yours.

Please note my new address below.

Sincerely,
