Dear Rev Lim,

Once again, thank you so much for the generosity of TCCCNA at Christmas time. I am always amazed by the continued thought and care shown in this way to former missionaries.

I apologise for the late response but have been staying with and caring for an elderly relative & have not been home to deal with the mail for many weeks.

I pray that the work of the Taiwanese Church in America continues to be blessed and bear fruit.

With Christian love,

Susan Beeby
