Dear Rev. Lim and TCCC Members,

It was good to receive your letter, and you are right this year has gone by very quickly. When we were young it seemed that Christmas would never come, and now Christmas is on us again before we know it.

Your letters are always so full of information about your annual meeting, news of events in Taiwan and missionaries we knew in Taiwan. We were in language school with both the Kehlers and the Geddes. We arrived in Taiwan at when they did, and enjoyed fellowship with them. Sorry to hear of their passing.

Thank you for taking time to share of your meeting, missionary friends and Taiwan.

we are also grateful for the gift; please express our thanks to the council. May the Lord richly bless you and the Taiwonese speaking churches in this new year.

Sincerely yours,

*Hunter and Patsy*
