Dear friends in Christ,

Thanks you so much for your generous gift of \$250 - at Christmas time. In using it to help support the mission to Chinese Scholars at the student center at the University of Washington. It's a wonderful opportunity to introduce them to Christianity - many for the first time, some are already Christians and are seeking Christian fellowship.

I have been in good health this past year, and God has blessed me in so many ways. I give thanks that I can still participate in this ministry as a volunteer. In Christ

I apologize for being so slow in acknowledging your gift. Please forgive me!
